

# ART CHOICE BOARD

## Paper Sculpture

Use plain, coloured, patterned or magazine paper

- Cut into strips and shapes
- Fold, zigzag, curl, roll and twist the pieces
- Try twisting small rectangles into bow shapes

Join the pieces with glue/tape to create your sculpture

[Origami mandala](#)

## 2D to 3D Drawing

Draw a circle by tracing around the bottom of something round like a cup.

Colour around the bottom half making it darker towards the edge.

Choose an animal picture to copy using light and dark tones to make it look 3 dimensional.

Here are some animal ideas -

[A mouse](#)

## My Favourite Toy

Make your favourite toy in different ways. You could:

- Draw your toy using pencils or textas
- Use paper & glue to make a paper copy of your toy
- Make your toy with Lego or blocks
- Draw you toy on the ground outside using chalk or clay rock
- Remember the ground art activity last term (Week 2 on Showbie 😊) – see if you can create your favourite toy outside using found objects

## Art Game

Art games are so much fun to play when you are stuck inside.

Play a drawing game by challenging yourself or play with someone else (or everyone!) in your house.

Here are some game ideas:

[Create a creature](#)

[Monster](#)

## Symmetry

Make a winter scene of trees and a snowman by cutting a black and white image at the same time.

\*You will need to hold both pages together as you cut.

Glue the white images above the line and the black images below in line with the white shapes.

Click on this link to see an example-

[Winter scene](#)

## Cartoon Characters

Practise drawing different eyes, mouths and noses with different expressions like happy, sleepy, sad, cross, surprised etc.

Now draw or trace a simple body shape like a circle, triangle or square.

Add eyes, nose, mouth, arms and legs.

Now make a little cartoon or picture with your character in it. Check out this link for ideas-

## Create Box Art

Collect some boxes and create a house or series of buildings, an animal, a car, a lighthouse, a castles etc.

Use glue or tape to join pieces or you could try some small cuts and slide the pieces together.

Click on the links below for some ideas-

## Paper Bunting

Cut paper shapes and glue/tape/peg them to a string or ribbon. The shapes could be all the same or different.

Add words or messages to make people smile or feel good/ Eg. Respect, love, smile, breathe, care, dream

Trace or print shapes like a heart or star on some of the flags. You could hang it in your bedroom or decorate your front fence. Here's some ideas

[Different shapes](#)

## iPad Art

Can you find the colours of the rainbow in your garden?

If you can't go outside the look for colours inside. Take a photo of each colour.

You could use these photos in a digital art piece. Eg. A rainbow, a landscape or a monster.

Here's an idea-
