Make a Board Game

Board games are so much fun to play when you are stuck inside – can you make a super fun game to share with everyone in your house?

Ideas to consider:

- Challenge/Chance cards
- Dice/spinner
- Tokens
- Number of players required to play
- Rules/Scoring
- How to win

The links below include templates for game boards, dice and cards if you need them.

Create a Toy Parachute

Can you use items (e.g. Plastic bag, string, paper, tissues, bandana etc.) that you have at home to create a parachute that will help your toy gently float back to the ground?

[Examples of Toy Parachutes](#)

Alfoil Boat

Can you make a boat out of aluminium foil that can hold coins without sinking?
What is the highest value of coins your boat can hold?

[Aluminium Foil Boat How To Guide](#)

Stop Motion Animation or Video

See if you can build on your skills you developed last term to create either...

A stop motion animation with even more detailed effects

OR

A video you filmed and edited yourself in iMovie that tells an interesting story.

The links below will help you get started:
