ART ACTIVITY

Mrs Carroll

Welcome to

Term Two

What makes you happy?

Your task this week is to create a piece of artwork that shows something that makes you happy!

It's up to you to choose what you will use to make your art piece. For example: pencils, textas, paper, paint, nature or iPad.

Make sure you share a photo of your work on Showbie with an explanation about what it is that makes you happy. We can't wait to see your creations!

MAKER SPACE ACTIVITY

Paper Planes

Go to the website and have a look at all the paper planes you can make:
<https://www.foldnfly.com/>

Next, watch the yellow link on your iPad/computer for instructions from your teachers...

<https://vimeo.com/405750498/f0e8ef0902>

Don't forget to post us your reviews on **Showbie!**

For a complete list of guidelines click [HERE](#)

MAKER SPACE ACTIVITY

Paper Plane Guidelines

1. Choose 3 paper airplanes to make
2. Test them out and then write down a score out of ten for how good a design it is. Explain why you gave it that score.

For Example:

The Dart

8/10

It was really easy to make and it flew really far and really fast. Also it left a lot of room for the decorating of the plane's wings. The trickiest part was the diagonal folds – so make sure you line up the edges really well so it works properly.

I would have given it 2 more points if it was able to do a flip or something acrobatic. It just goes straight.

3. Post your reviews to your class Showbie under 'Specialist Grid'

MUSIC ACTIVITY

Hi everyone!

Watch the video: <https://vimeo.com/406391738/323f221444>

Remember that we started to learn the Auslan sign language for "We Are" last term? Well the good news is that we can still do it while you are at home.

Here's the link for the whole song:

<https://www.youtube.com/watch?v=kmaDatoyBdl>

Here is the link for the 1st verse just in case you need a bit more time to learn it:

<https://www.youtube.com/watch?v=NmYEEYzdFQZo>

And the 2nd verse:

https://www.youtube.com/watch?v=a4T5C5yt_-8

And lastly the Chorus/Tag and Middle 8:

https://www.youtube.com/watch?v=_J3kRiL7eys&t=5s

You could teach your family to sing it and sign it with you!

BACK TO GRID

PE ACTIVITY

WELCOME TO TERM 2 PE!

This term, PE will look a little different from what we are used to, but that's ok - we will still have fun and be getting fit and active.

This week, as a fun introduction to learning from home, we would thought it would be great to do an activity altogether.

Prep - 2

3 - 4

5 - 6

Click on the tennis ball to watch a video to find out more!

Your task: make and play a game of hopscotch

Watch our video to get some ideas and the have a go yourself!

We would love to see photos or videos of what you create and a description of what you enjoyed about creating your own hopscotch grid.

HAVE FUN!

SAKG ACTIVITY

Welcome back!

Click on the apple to watch the welcome video

GARDEN ACTIVITY

Time to learn how to grow your coriander seeds!
Click on the strawberry to watch the 'how to' video
